

Family Constellations Workshop

Family constellations is a therapeutic approach designed to help reveal the hidden dynamics in a family or relationship in order to address any stressors impacting these relationships and heal them.

How does it work? In a single session, a Family Constellation attempts to reveal an unrecognized dynamic that spans multiple generations in a given family and to resolve the deleterious effects of that dynamic by encouraging the subject, thru representatives, to encounter and accept the factual reality of the past.

Who needs family constellation?

People from all walks of life, across countries, nationalities, professions and age. Anyone above the age of 16 is eligible to participate in this workshop. It works on the premise that the root cause of your problems or issues originate from you ancestors and family lineage.

What can you work on?

- Physical aches and pains
- Resolution in difficult relationships
- Freedom to unhealthy patterns and behaviour
- Invite Abundance, success, growth, Love etc
- Enhance belongingness and connectedness to family and work space
- Heal your trauma, Address Anxiety/ depression
- Recognise and resolve the roots cause of your issues.

Priya is an Integrative Coaching and Therapist. She provides a fresh perspective and resolution on an issue which helps one's self-esteem, relationships, and outlook on life. It gives individuals a better understanding of themselves. Her experience of 12 years gives her an edge to look at the situation objectively and bring change. She has had an opportunity to present her work on Family Constellation on BBC ITV UK.
